

Senior sole practitioner in Niagara is looking for an associate to join, and eventually take over, a busy, well-established practice. This is mainly a solicitor's practice with a wide variety of work but there is also a real opportunity for the new lawyer to expand the barrister's practice if so inclined. The office is well equipped, in a super location with competent and dedicated staff. Competitive salary and a benefit package are part of the deal. If you think you might be a "good fit" email your CV to david@davidhurren.ca.
